goodwill

Goodwill offers **pre-qualified people eager to help** you and your company.

Our services are free of charge
to help our clients match their strengths and abilities with your company's workforce requirements.
To ensure success,
we'll work to understand and target your needs,
getting to know you and your business
before presenting potential employees.

Work Opportunity Tax Credit.
The Work Opportunity Tax Credit program provides a tax credit for employers who hire certain targeted low-income groups, including applicants who are vocational rehabilitation referrals.
